## CORSETS

"BETTER THAN EVER"

Whatever your size or build may be, there's an R & G Corset modeled expressly to fit you with comfort.

Twenty-five years' experience in fitting corsets has taught the R & G makers that no one model—nor one dozen—will cover the requirements of women.

A good general model, accurately moulded to general lines and in strict conformity to fashion, is important.

But perfection of fit in individual cases depends upon the number and variety of the modifications of the general design to suit peculiarities of figure.

In this respect as in all others, R & G Corsets are supreme.

No. 431, Price \$1.50—The new double-bust gore corset especially designed for supporting the bust without restricting the freedom any way.

No. 827, Price \$1—Straight front, deep hip. Produces most successfully the slender long effect which the new style costumes demand.

Other styles at prices from \$1 to \$10.

## "Where Do All of Your Customers Come From, Anyhow?"

Asked some one in our house last Saturday. Well, "it DID look a little crowded." Many of our customers, however, waited patiently until we found time to wait on them. Why should you not come to the great HOME STORE for your Clothing, Shoes, etc.? No other house in the state shows such a variety of good merchandise. Here you find the choicest productions of the Stein-Bloch Co., L. Adler Bros. & Co., and the greatest line of Young Men's Suits made by Garson-Meyer & Co. To those who wear clothes made by above firms we need say nothing. You who have not worn them are the fellows we are after. Come in and try on a suit. We want to show what kind of clothes you should wear. "DON'T BE AFRAID OF THE PRICE;" they won't cost you more than the ordinary run of clothes. From a side issue our shoe trade has assumed such proportions that it is now one of the chief features in our business. Hanan and Douglas. Do you know of any better?

## MATTING Versus Hard-wood Floors.

Of course if all things were equal we'd choose the hardwood floor, but the tremendous price difference makes the majority decide for Matting. There is nothing cheaper, nothing easier to clean, and pretty enough for any one is a matting covered floor upon which are laid tasteful rugs. To meet the increasing popularity of this floor covering we have greatly enlarged our stock this spring. We have all prices but we advise our customers not to buy under the 25c grade, it doesn't pay. We've a big line at this popular price and equally varied assortments at 35c.

## Persistence.

We hope our readers don't tire of our Carpet News—we can't help telling you about this department. We want to impress upon you the necessity of a visit to our upstairs section. The values offered there, whether in Carpets, Matting, Linoleums or Lace Curtains will delight you with their beauty and economy. You will assuredly find it profitable to see them.

**GOOD SPIRITS.**

Good spirits don't all come from Kentucky. Their main source is the liver; and all the fine spirits ever made in the Bluegrass State could not remedy a bad liver or the hundred and one ill effects it produces. You can't have good spirits and a bad liver at the same time. Your liver must be in fine condition if you would feel buoyant, happy and hopeful, bright of eye, light of step, vigorous and successful in your pursuits. You can put your liver in fine condition by using Green's August Flower, the greatest of all medicines for the liver and stomach and a certain cure for dyspepsia or indigestion. It has been a favorite household remedy for over thirty-five years. August Flower will make your liver healthy and active and thus insure you a liberal supply of "good spirits." # THE BLUES

Don't Wait Until Your Sufferings Have Driven You to Despair, With Your Nerves All Shattered and Your Courage Gone.

When a cheerful, brave, light-hearted woman is suddenly plunged into that perfection of misery, the BLUES, it is a sad picture. It is usually this way:

She has been feeling "out of sorts" for some time; head has ached, and back also; has slept poorly, been quite nervous, and nearly fainted once or twice; head dizzy, and heart beats very fast; then that bearing-down feeling. Her doctor says: "Cheer up; you have dyspepsia; you will be all right soon."

But she does not get "all right." She grows worse day by day, till all at once she realizes that a distressing female complaint is established. Her doctor has made a mistake.

She has lost faith in him; hope vanishes; then comes the brooding, morbid, melancholy, everlasting BLUES.

Lydia E. Pinkham's Vegetable Compound instantly asserts its curative powers in all those peculiar ailments of women, and the story recited above is the true experience of hundreds of American women, whose letters of gratitude we are constantly publishing.

Surely you cannot wish to remain weak and sick and discouraged, exhausted with each day's work. If you have some derangement of the female organism try the remedy that has restored a million women to health.

**Lydia E. Pinkham's Vegetable Compound.**

"DEAR MRS. PINKHAM:—I cheerfully recommended Lydia E. Pinkham's Vegetable Compound to my suffering sisters as a perfect medicine for all female derangements. I was troubled with displacement of the womb and other female weakness. Had headache, backache, and such bearing-down pains I could hardly walk across the floor, and was very nervous. A friend advised me to try your medicine, which I did, and after using the first bottle I began to improve. I took in all twelve bottles of Vegetable Compound, one box of Liver Pills, also used the Sanative Wash and was cured, and have no return of my troubles. I am as well now as I ever was. I am most thankful every day for my cure. I know that your medicine will do everything that it is recommended to do for suffering women."—MRS. DORA ANDERSON, North Muskegon, Michigan.

"DEAR MRS. PINKHAM:—I want to tell you what your remedies have done for me. Before taking them I used to have a continuous headache, would be very dizzy, would have spells when everything seemed strange, and I would not know where I was. I went to our local doctor. He gave me some medicine, but it did not seem to do me any good, but after taking Lydia E. Pinkham's Vegetable Compound, I began to improve at once. I can honestly recommend your remedies to all suffering women, and advise all to give it a trial."—MRS. HENRY SELL, Van Wyck, Wash.

**\$5000 FORFEIT** if we cannot forthwith produce the original letters and signatures of above testimonials, which will prove their absolute genuineness. Lydia E. Pinkham Medicine Co., Lynn, Mass.

**FREE MEDICAL ADVICE TO WOMEN.**  
If there is anything in your case about which you would like special advice, write freely to Mrs. Pinkham. She will hold your letter in strict confidence. She can surely help you, for no person in America can speak from a wider experience in treating female ills. She has helped hundreds of thousands of women back to health. Her address is Lynn, Mass., and her advice is free. You are very foolish if you do not accept her kind invitation.

BRONCHITIS.

Everybody Knows What It Is—But  
Everybody Does Not Know What  
Will Cure It.

J. C. PECOR TELLS THE PEOPLE  
OF MAYSVILLE.

Asked one day in his store the question, "What is good for bronchitis?" Mr. Pecor, our well known druggist, answered, "The best way I can tell you is to ask you to read this letter from Miss Anna Ray of Bangor, Me. We have lots of such cases right here at home."

It read as follows:

"For five years I was troubled with a terrible cough and bronchitis. I tried a great many different preparations without getting relief. I could not sleep, and I became so weak I could hardly walk, and coughing day and night. Then I took Vinol. What a Godsend th it first bottle was! I had not taken half of it before I noticed a change for the better. I took four bottles in all and am entirely cured, and in perfect health."

"Now I have been talking up Vinol to the people of Maysville for a long time," continued Mr. Pecor, "and I suppose some people think I am crazy on the subject, but really I hear such marvelous results from Vinol all the time that I believe it to be the greatest remedy for coughs, colds, bronchitis and all throat and lung troubles that we have ever sold in our store. It never disappoints people, and I do like to sell a thing that gives satisfaction. Vinol is cod liver oil medicine without the oil, and wherever old-fashioned cod liver oil preparations will do good, Vinol will do more good, for it is delicious to the taste and powerful as a curative agent."

"I wish every person in Maysville who is over-worked, run down, debilitated, every old person, every weak woman, every sufferer with fall colds, bronchitis or incipient consumption, every nervous, irritable person or any one suffering with stomach troubles, would take advantage of my guarantee to refund the money if Vinol does not help them and restore them to health. Please call at our store and learn more about it." J. C. PECOR, Druggist.

Messrs. John I. Winter & Co. have, by special arrangement with the Smith & Nixon Piano Co., booked the great Belgian pianist, Brahm Van DenBerg, for a recital at Washington Opera-house Monday evening, the 23d inst., and afford music lovers the unusual opportunity of obtaining a complimentary reserved seat by calling at the Smith & Nixon headquarters. Mr. Van Den Berg while a student in Belgium was a portage of the King and Queen and enjoyed exceptional opportunities under the greatest musical masters of that musical country. Besides being a musician of the broadest type, Mr. Van Den Berg has developed an astonishing technical proficiency, and is one of the most brilliant virtuosos before the public. His interpretations are poetical and temperamental, and his performance is that of a very great artist. A special concert grand piano from the Smith & Nixon house in Cincinnati will be used by Mr. Van Den Berg for this recital.

The Cincinnati Volksblatt has this to say of Van Den Berg:

"Yesterday's Symphony Concert was of exceptional interest. The great music loving and music knowing public of the Queen City made the acquaintance of an artist in Mr. Brahm Van Den Berg, and the storm of applause with which he was honored gave unmistakable proof of how much they enjoyed his acquaintance. He is a master of piano playing, who commands a brilliant technique and a really magnificent delivery. He had selected the Saint-Saens piano concerto in G minor, and without question it was an extraordinarily happy choice, as it gave him abundant opportunity to display his ability in the technical domain. His performance was a finished one, and the brilliant execution of the artist carried the public away in a veritable whirlwind of applause. As an encore Mr. Van Den Berg played in masterly style a Berceuse of Chopin."

SERIOUS CHARGE  
Father Accused By His Daughter  
of Raping Her

George Wallace Ramey of 101 Short street was arrested yesterday on complaint of his twelve-year-old daughter Martha, who charges her father with the heinous crime of having committed a rape on her person.

The little girl was examined by Dr. W. S. Yazell, who says the child has been tampered with, and the appearance of the undergarments gives further credence that a crime has been committed.

Ramey was incarcerated in default of a \$500 bond for his appearance today, when he will have his examining trial.

The father is about 40 years old and a widower, his wife having died about three months ago. He came here from above Quincy a short time ago with his family, consisting of three children—a young babe, a boy 7 years old and the twelve-year-old girl.

The accused protests his innocence, and says if any misfortune has happened his daughter he calls on God to witness that he is not the author of her ruin.

His one room—which is also occupied by his sister-in-law—is a hovel in which filth and squalor abound. There is a rickety bedstead in one corner and a dirty mattress on the floor.

The woman and her children occupied the bed, while the mattress on the floor served a like purpose for the man and his offspring.

The offense is said to have been committed Wednesday night.

The woman claims that if anything of the kind had occurred she certainly would have heard it.

The aged mother of the accused, Mrs. Ellen Glenn, is prostrated and is quite ill. She believes her son innocent of the grave charge.  
Policeman Thomas Senteney made the arrest.

## Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a Home of Swamp-Root pamphlet telling all about Swamp-Root, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

## AN EDITOR'S EXPERIENCE

## CUTICURA REMEDIES.

A Remarkable Testimonial from a Most Intelligent and Trustworthy Lady.

"A tumor came on my neck and in a day or two it was as large as half an orange. I was very much alarmed for fear it was malignant. My friends tried to persuade me to consult my physician; but dreading that he would insist on using the knife, I would not consent to go. Instead, I got Cuticura Resolvent and Cuticura Ointment. I took the former according to directions, and spread a thick layer of the Ointment on the swelling. On renewing it I would bathe my neck in very warm water and Cuticura Soap. In a few days the Cuticura Ointment had drawn the swelling to a head, when it broke. Every morning it was opened with a large sterilized needle, squeezed and bathed, and fresh Ointment put on. Pus and blood, and a yellow, cheesy, tumorous matter came out. In about three or four weeks' time this treatment completely eliminated the tumor. The soreness that had extended down into my chest was all gone, and my neck now seems to be perfectly well.

"About five or six years ago my sister had a similar experience, used the Cuticura Remedies with magical effect. I am willing you should use my testimonial, with the further privilege of revealing my name and address to such persons as may wish to substantiate the above statements by personal letter to me." Chicago, Nov. 12, 1902.
